through the service of communion the church remembers and celebrates the presence of god with us to some communion is an empty ritual devoid of meaning or personal significance because of that low worship attendance commonly accompanies communion sundays leaving churches feeling spiritually depleted holy communion the second in the belief matters series offers a richer appreciation of the sacrament and gives insights and practical suggestions for allowing communion to have a more prominent role in church life and the christian formation of individuals the more christians link communion with spiritual formation and daily faith practice the more likely congregations will be invigorated and empowered to carry out the missional directive to transform the world the book is suitable for a 4 week study with study

questions at the end of each chapter the belief matters series assists pastors and clergy in explaining fundamental elements of the church and its worship to congregations holy communion is the second in the series and follows incarnation by william h willimon

the united church of christ has developed its distinctive theological identity since 1957 having drawn upon the four mainstream traditions and various hidden histories that came together at its birth it has been profoundly shaped by movements for racial and social justice the organizational thrust of old line protestantism the changing role of women new patterns of immigration and ongoing ecumenical efforts to embody the unity of the christian church this seventh volume showcases the theological work of the united church of christ from 1957 to 2000 and invites its leaders and members to become more theologically self conscious
