omid tofighian has been engaged in collaborative philosophical artistic and political work with displaced exiled and incarcerated

peoples for 25 years these interdisciplinary and transdisciplinary collaborations include co authoring different genres of writing in english co creation and translation into english and shared intellectual and artistic projects the most notable example is his translation and collaboration in behrouz boochani s award winning book no friend but the mountains writing from manus prison 2018 creating new languages of resistance is an intellectual and personal reflection on creative resistance it addresses critical issues pertaining to epistemic injustice kyriarchy and border violence incorporating scholarship different literary genres exclusive interviews media articles and notes on translation this rigorous and accessible study examines the shared philosophical activity tofighian participates in with different collaborators it suggests experimental and collaborative ways for producing and analysing similar texts and cultural productions creates new spaces and frameworks for thinking about displacement and exile and raises compelling questions and issues for people interested in researching and working to end border violence bordering and intersectional discrimination presenting a special rationale and philosophical vision about collaboration and co creation in extreme situations this is key reading for students scholars and general readers interested in critical and cultural border studies translation studies public philosophy literatures of resistance coloniality and decoloniality identity and positionality

the routledge handbook of translation and culture collects into a single volume thirty two state of the art chapters written by international specialists overviewing the ways in which translation studies has both informed and been informed by interdisciplinary approaches to culture the book s five sections provide a wealth of resources covering both core issues and topics in the first part the second part considers the relationship between translation and cultural narratives drawing on both historical and religious case studies the third part covers translation and social contexts including the issues of cultural resistance indigenous cultures and cultural representation the fourth part addresses translation and cultural creativity citing both popular fiction and graphic novels as examples the final part covers translation and culture in professional settings including cultures of science legal settings and intercultural businesses this handbook offers a wealth of information for advanced undergraduates postgraduates and researchers working in translation and interpreting studies

updated to include the 2021 22 season the instant sunday times top ten bestseller the behind the scenes story of the marcelo bielsa revolution at leeds united and their first season back in the premier league after sixteen years of hurt featuring fresh personal insight from marcelo bielsa on 27th february 2022 after 170 matches in charge promotion to the premier league and some of the most exhilarating football the english game has ever seen leeds united parted company with their most beloved and successful manager in a generation marcelo bielsa his parting gift was to embrace the crowds of adoring fans who turned up to say thank you as he left the club s training ground for the final time in and it was beautiful the athletic s phil hay chronicles leeds

Leeds United's glorious first season back in the top flight which saw them finish ninth after a chaotic sixteen year absence. Phil Pullin pulls back the curtain on the hallmarks that now define the Marcelo Bielsa era from his gruelling training schedule including his infamous murderball sessions to innovative tactical methods that elevated Championship regulars into Premier League stars. Bielsa performed miracles turning football into high art and making an extraordinary cultural impact on the City of Leeds. The result is a unique and fitting tribute to a Leeds United icon.

This book addresses East-West understandings of Arab women as portrayed through translated media. The vast majority of media studies on Arab women are Western based. They study the effect of Western stereotypes in Western media depictions of Arab women. There is a vast scholarly literature tracing Western stereotypes of Arab women from medieval times to the present. From 1800 the dominant Western stereotype of Arab women depicts them as passive and oppressed. Thirty years of social science media research in the West has shown that media images of Arab women reinforce this two hundred year old stereotype. Much of this research has studied silent image bites of Arab women where women are pictured in veils and their own voices are replaced by Western captions or voice overs. This book sets out to answer this question: to answer it we contracted with a global news translation service from the Middle East to collect and translate a sample of 22 months of news summaries from 103 Arab media sources belonging to 22 Arab countries. Filtering the summaries that contained one or more female keywords (e.g. woman, mother, aunt, sister) she yielded 2,061 summaries between September 2005 and June of 2007. Using the 2,061 summaries as input data a coding scheme was developed for active and passive female behaviors based on verb phrase analysis and conventions of English language news reporting.

Marcelo Bielsa is one of football's greatest eccentrics and greatest enigmas. This will be the first English biography of one of football's most contradictory characters. He has coached some of the greatest names in world football: Gabriel Batistuta, Carlos Tevez, Javier Mascherano, Juan Sebastian Veron, and Ander Herrera. He has been cited as a mentor by Pep Guardiola, Mauricio Pochettino, and Diego Simeone. Yet Marcelo Bielsa remains one of the great enigmas of world football: a fabulously innovative and obsessive coach who has transformed Leeds United, Marseille, and Athletic Bilbao. He also lasted two days at Lazio and led Argentina to their greatest footballing disaster. Featuring interviews from across South America, Europe, and Yorkshire, the quality of madness is a comprehensive and compelling biography tracing Bielsa's story from growing up as a member of one of Argentina's most remarkable families to his revival of Leeds. Bielsa has long been known as *el loco*, the madman, and yet as Tim Rich's revelatory study reveals there is mercurial method and audacious logic to the madness.

as marcelo bielsa s interpreter salim lamrani was his right hand man throughout his first season in charge of leeds united as a privileged witness to that remarkable 2018 19 campaign lamrani tells the inside story of how the club came within a hair s breadth of returning to the premier league before winning promotion in the very next season to end a 16 year exile lamrani lays bare the secrets behind bielsa s methods starting with the demands he makes in an intense pre season through to the argentinian tactician s unwavering loyalty to a highly effective style of play a style based on possession collective coverage rapid transitions changes of tempo and constant attack for him beauty is non negotiable thanks to bielsa the players of leeds united were the actors in an unforgettable epic which made an indelible mark on millions of supporters taking us match by match through bielsa s first year in english football lamrani weaves a fascinating narrative and paints an intimate portrait of a unique football genius
