on good friday 1626 franciscus quaresmius delivered a sermon in the church of the holy sepulcher in jerusalem calling on king philip iv of spain to undertake a crusade to liberate the holy land jerusalem afflicted quaresmius spain and the idea of a 17th century crusade introduces readers to this unique call to arms with the first ever edition of the work since its publication in 1631 aside from an annotated english translation of the sermon this book also includes a series of introductory chapters providing historical context and textual commentary followed by an anthology of spanish crusading texts that testify to the

persistence of the idea of crusade throughout the 17th century quaresmius impassioned and thoroughly reasoned plea is expressed through the voice of jerusalem herself personified as a woman in bondage the friar draws on many of the same rhetorical traditions and theological assumptions that first launched the crusading movement at clermont in 1095 while also bending those traditions to meet the unique concerns of 17th century geopolitics in europe and the mediterranean quaresmius depicts the rescue of the holy city from turkish abuse as a just and necessary cause perhaps more unexpectedly he also presents jerusalem as sovereign spanish territory boldly calling on philip as king of jerusalem and patron of the holy places to embrace his royal duty and reclaim what is rightly his on behalf of the universal faithful quaresmius early modern call to crusade ultimately helps us rethink the popular assumption that like the chivalry imagined by don quixote the crusades somehow died along with the middle ages

according to legend the constantinian order is the oldest chivalric institution founded by emperor constantine the great and governed by successive byzantine emperors and their descendants while this chronology was supported by multiple writers even into the twentieth century it has little historical basis nonetheless the angeli farnese and bourbon families which held the grand mastership could legitimately claim byzantine imperial descent albeit in the female line and the order s cross replicates that seen by constantine in the vision recorded by both lactantius and eusebius writing very soon after maximian s defeat at the battle of the milvian bridge the order s emergence in the middle of the sixteenth century when christian europe was under assault from a militant ottoman empire gained papal support almost immediately and by the end of the seventeenth century the order had members across the italian peninsular in spain bavaria austria and bohemia croatia and poland today the majority of the order s members are found in italy and spain but there are also members in portugal france belgium great britain and luxembourg with smaller groups in the netherlands germany and sweden as well as an

expanding membership in the united states this work examines the conversion of constantine and the histories of the angeli farnese and bourbon grand masterships with extensive reference to hitherto unpub lished documents in the vatican archives and in the farnese and bourbon archives in naples these serve to confirm the close relationship the order had with the church and the high regard in which it was held by successive popes as well as its autonomy as a subject of canon law independent from any crown or temporal sovereignty this unique status has enabled its hereditary grand masters to maintain this dignity after the absorption of the former kingdom of the two sicilies into a united italy the order s autonomy coupled with the grand master s close links to the spanish crown has meant that spanish and italian citizens as well as the citizens of several other states which have accorded the order recognition may obtain official permission to wear the order s decorations 2018 is the three hundredth anniversary of the papal bull militantis ecclesiae which confirmed and approved the previous papal acts concerning the order and laid out the rights and privileges of the order its grand masters and members in the early 20th century pope saint pius x and benedict xv conferred further privileges on the order approving the statutes while the then future pope pius xii had been admitted to the order in 1913 today the order is engaged in works of charity in conformity with the church s teachings and includes among its members some thirteen cardinals as well as some thirty members of reign ing or former reigning families
