let us get away from spending our energy and resources toward killing each other and creating hell here we can convert this hell into heaven fortunately the job is not as big as it seems we do not have to make it beautiful it already is the only thing we have to do is to take time off our biases and hatred and look around with open eyes we have to remove all layers of biases covering our eyes and we will be able to see a picture we have never seen before we will be able to see colors we have not seen before there is beauty in the greens in scenes in lakes in gardens and parks in mountains in seas and in rivers imagine a lake surrounded by beautiful

mountains and a full moon spreading milky moonlight all around how magical it can be we do not have to go to another world to experience this scenes like this exist in our planet and there are thousands of them if only we instill a desire in us to pay attention there is beauty in people good people generous people nice people helpful people these are people who look toward you with respect and love the people who sacrifice their possessions to give happiness to others there is beauty in smiles of small children and young kids and giggles of teenage girls there is beauty in sitting together talking to each other with no ill will knowing that we all respect each other love each other and care for each other there is beauty and pleasure all around us let us start paying attention to it and start enjoying it before we do that we have to stop taking other peoples rights that is what has caused all the problems to start with this new world will be a lot better than what we have now

work more effectively and gauge your progress along the way this study guide that is designed to accompany kieso s intermediate accounting 11th edition is a useful tool for students to use in the classroom and is an excellent resource when preparing for exams it contains chapter outlines chapter reviews of key concepts and a glossary of key terms demonstration problems multiple choice true false matching and other self testing opportunities are also included the bestselling text intermediate accounting has powered the careers of countless professionals the new eleventh edition builds on the book s reputation for comprehensiveness accuracy and currency incorporating all the recent changes to the accounting literature updated with the latest developments and standards in the field the book includes a cd rom with an accounting cycle tutorial a financial statement analysis primer an annual report database spreadsheet tools career resources and more it will help readers develop the knowledge and skills base they need to succeed as professional accountants
